

Alfords in the 1860 Mississippi Census

Compiled under the direction of Alicia Roundy Houston, AAFA Genealogist

This is the third Alford census report, and again a 100% verification was done on the data to ensure maximum accuracy. Nothing has been added. We omitted information on ability to read

and write and the value of property, as that information is of little genealogical value.

If an Alford was located in a household where the head of household had a different last name, the Alfords are in bold type. If someone other than an Alford was included in an Alford

household, the name is included, as it was on the census. "Alfords" are listed first name last name. Non-Alfords are listed last name, first name. Following the name is the age, sex, birthplace (state), and profession. All spelling variations are included.

New Officers

Members at the meeting in Jackson will have an opportunity to vote for new officers for the first time since the Association was established.

The nominating committee has recommended, and the board of directors has approved, the following as a slate of new officers. Members with other candidates may write them in provided the candidate has agreed to serve.

President	Hollis Harold Alford, Florida
Vice-President	Raymond Alford, Virginia
Secretary	Max Ray Alford, Texas
Treasurer	*Doris Alford Vetri, Pennsylvania

The above, which are the only elected officers, will be replacing the following:

President	Lodwick H. Alford, Georgia
Vice-President	Weston Adams, South Carolina
Secretary	Nancy T. Alford, Georgia
Treasurer	Julius M. Alford, Mississippi

The Association is most appreciative of these folks who have served for five years during this early and critical growth period.

Other officers which are appointed are:

Genealogist	Alicia Roundy Houston, Pennsylvania
Librarian	Nancy Alford Dietrich, Washington
Publications Director	Pamela Alford Thompson, California
Publicist	Elizabeth Hawes Hazlip, Mississippi
Executive Director	Gilbert K. Alford, Missouri

Project Officers:

Ancestor Tables	George G. Miller, New Mexico
-----------------	------------------------------

Listed in the box on the following page are the officers in the two state Chapters—Texas and Mississippi, and the several state representatives.

At the Jackson meeting, the Board of Directors plans to announce the names of several members who have been added to the board.

*Doris Alford Vetri was appointed to replace Julius M. Alford earlier in 1991 when Julius Alford assumed the position as AAFA Vice President—Mississippi (the leader of the Mississippi Chapter). ♦
