

"Alfords" in the 1860 Census

Submitted by Alicia Roundy Houston, AAFA #0001, Member AAFA Hall of Fame

This census report is a product of the AAFA census team. The initial list of names to be extracted was prepared from published census indexes and, in some cases, supplemented by unindexed entries. The everyname extraction was performed using the microfilm as a source — then verified for completeness and accuracy.

The following data is not intended to reflect either the "true" facts or what descendant families believe to be the facts. It is also not guaranteed to be without error. Nevertheless, every attempt has been made to provide a complete and faithful representation of the information recorded on the original enumeration forms.

The order of the information in the two line family header: the name of the post office, City or Township, and County. On the 2nd line: census page number, census dwelling or house number, census family number, microfilm roll number, and the enumeration date.

The categories on each line appear in the following order: name, sex, age in years or months (two columns), birthplace, color, *MSR, property (real estate and personal), and occupation. In the case of infants, the age is expressed in months, in which case the year column is left blank.

* Data collected in 1860 included information on marriage, school attendance and literacy:

M = married within the year

S = attended school within the year

R = can't read or write

For Iowa, birthplace is shown with the approved postal abbreviations for states in the U.S. EN = England; IR = Ireland

The association acknowledges the efforts of R.M. (Dick) Alford, Peggy Alford Schuster, Doris Vetri, Margaret Windham and Gil Alford in the preparation of the Kansas report.

For Michigan, birthplace is shown with the approved postal abbreviations for states in the U.S. BD = Baden; BV = Bavaria; CD = Canada; EN = England; GM = Germany; IR = Ireland; NB = New Brunswick; SZ = Switzerland; UN = Unknown; WG = Wurttemberg

The association acknowledges the efforts of R.M. (Dick) Alford, Peggy Alford Schuster, Doris Vetri, Mildred Meyer and Gil Alford in the preparation of the Michigan report.

Then there is Cindy Kuhn who is serving as AAFA webmaster. Not only is Cindy not an Alford, she has no known Alford ancestors. She is a member of the Chapman Family Association and when we lost our last webmaster, she agreed to help us out by maintaining and updating the AAFA web site. She is also the web master for the Chapman Family Association and a working mother so her AAFA time is somewhat limited.

These are just a few of the people that work behind the scenes to keep your organization up and running and meeting its stated purposes. Most set their own pace and work as many or as few hours as they think they need to in order to get the job done. However, that doesn't mean that we have all the help we need. The Association can always use your help. If you have a special talent or if there is something that you think you might enjoy helping us do, please let me or any officer or Director know and we will put you in touch with the person who most needs your help. Remember, we always need your help.

Don't forget the 2005 meeting in St. Louis. The hotel contract has already been signed and Ramona is busy lining up some very interesting tours. It should be another great meeting. It is always great to see those people that you don't get to see but once a year and to meet those people who are attending a meeting for the first time.

We do some serious business but I guarantee you that we also devote a fair amount of time to having the most fun the law allows. So if you have never attended a meeting before, I look forward to meeting you for the first time. If you have attended before, I look forward to seeing you again. If the meeting information is not in this issue of the quarterly, it will be in the next issue along with the tour information. I urge you to make you hotel reservations as soon as possible and to register with Evelyn for the meeting as soon as possible. It will be a great time.
