

Missouri "Alford" Marriages

Compiled by Lynn Shelley, AAFA #0484

This is the most comprehensive list of Missouri Alford marriages ever compiled. However, it still is not complete and contains some error and omission. Those who have Internet access may find updated versions at our web site www.alfordassociation.org. If it seems appropriate we will have an updated version at the meeting in St. Louis for those who care to make a copy. There is at least one case where the same marriage is listed twice. While the date and place are the same the names of the "Alford" and the spouse are different in each. We will fix that when we know what is correct.

We would appreciate help from readers with corrections, additions and expansion of initials and names. Please send your comments either to aafa@alfordassociation.org as text within the message or to AAFA, POB 1586, Florissant, MO 63031-1586.

If you have questions about any of the records or marriages listed send your inquiry to the addresses in the previous paragraph. In many cases we have information on parents, children, ancestry, sources, etc.
