Query

My wife's Great Grandmother, Ellen Alford, was born in St. Helier, Jersey, and christened 11 Feb 1827. One of her Godparents was a Samuel Beck. Ellen's parents were George Alford, (born according to 1841 census c1800 in England), and Elizabeth born c 1795 in England. The association with a Samuel Beck leads me to conclude that Ellen's mother was nee Elizabeth Beck c Tiverton Feb/April 1798, and married to George Alford, 22 Apr 1824, at Ashburton. I would be grateful for any suggestions which would help to verify these conclusions, or to trace these lines further back.
