

## **“Alfords” in Pennsylvania Census - 1870**

This census report is a product of the AAFA census team. The initial list of names to be extracted was prepared from published census indexes and, in some cases, supplemented by unindexed entries. The everyname extraction was performed using the microfilm or on-line images as a source – then verified for completeness and accuracy.

The following data is not intended to reflect either the "true" facts or what descendant families believe to be the facts. It is also not guaranteed to be without error. Nevertheless, every attempt has been made to provide a complete and faithful representation of the information recorded on the original enumeration forms. The order of the information in the two line family header: the name of the post office, city or township, and county. On the 2nd line: census page number, census dwelling or house number, census family number, National Archives Series M593 microfilm roll number, and the enumeration date.

The categories on each line appear in the following order: name, sex, age in years or months (two columns), birthplace, color (race), \*SMRWV-PFB, property (real and personal), and occupation. In the case of infants, the age is expressed in months, in which case the year column is left blank, and the month of birth is shown.

\* Data collected in 1870 included information on school attendance, marriage, literacy, voting eligibility, and foreign birthplace of parents (if applicable).

S = attended school within the year

M = married within the year

R = can't read

W = can't write

V = eligible to vote (male over 21 years)

PFB = Parents Foreign Born, 'F' = father; 'M' = Mother

Birthplace is shown with the approved postal abbreviations for states in the U.S. Foreign places, when applicable, are abbreviated as follows: AT = Atlantic Ocean, BA = Bavaria, BD = Baden (Germany), CD = Canada, EN = England, HM = Hamburg (Germany), IR = Ireland, IY = Italy, FR = France, GM = Germany, PR = Prussia, ST = Scotland, SW = Switzerland, WA = Wales.

The association acknowledges the efforts of Tom Donnelly, Peggy Alford Schuster, Doris Alford Vetri and Gilbert K. Alford, Jr. in the preparation of this report.
