

Abbreviations for Texas County Names

Some files on this site are derived from one of the AAFA data bases in which county names are abbreviated. In most cases the abbreviation is the first four letters of the county name. Alternates have been devised for those cases where using the first four letters cause duplication or otherwise ambiguous situations. The alternates are listed below. Forgive us where we slip and fail to use one of these alternates when we should have.

Brazoria	BRAR
Brazos	BRAS
Collin	COLN
Collingsworth	COLW
Comal	COML
Comanche	COMC
Gray	GRAY
Grayson	GRAS
Hardeman	HARD
Hardin	HARI
Harris	HARR
