

TEXAS DELAYED ALFORD BIRTHS

This list of Texas delayed Alford births was compiled by Lucille Mehrkam, AAFA #0032 many years ago and submitted to the Alford Association. The data pertains to births registered sometime after the birth. Perhaps years later and sometimes in another state. Those not in Texas were excluded from this list. In some cases the birth certificate number is included.

There are question marks and blank spaces where it was not apparent to Lucille what was correct. No doubt, like the rest of us, she made an occasional error. If you can provide correcting information or missing information please send it to AAFA. See the contacts page.
