

Arizona "Alford" Cemetery Information.

05/12/2009

This Arizona cemetery report is based on the research efforts of June Kay Schaub, AAFA #1083 who is helping with cemetery data input for several states.

Where possible the Alford association has added the names of parents and spouses.

Not included in this report is information pertaining to sources and references. Those who have need for this data may acquire same by sending an email to alford_association@sbcglobal.net.

PLEASE! Help us with corrections and expansion.

Abbreviations, all of which may not be in this list, are:

b. = born, d. = died, m. = married

c/o = child of, d/o = daughter of, s/o = son of, h/o = husband of, w/o = wife of

i/o = infant of, t/o = twins of, m/o = mother of, f/o = father of

The "computed age" was obtained by having the computer subtract the year of birth from the year of death. Consider it only as close. If there is not a birth and death year the age is shown as 999.

Look for updates to this Alford Cemetery information from time to time at the AAFA web site www.alfordassociation.org
