

Iowa "Alford" Cemetery Information.

02/12/2009 18:58:09 - Version

This is the very first version of the Iowa Cemetery effort. All of the data was obtained from the Find A Grave site on the Internet.

The computed age shown for each subject is computer generated. It subtracts the year of birth from the year of death. Bad spacing of the birth and death dates will distort the computed age. If there is not a full set of birth and death years the computer sends 999.

Corrections and additional data will be greatly appreciated. Computer files may be sent via email to alford_association@sbcglobal.net or send via floppy or CD to AAFA. POB 1297, Florissant, MO 63031.

In the days to come this data will be expanded to show, when known, information on parents and spouses.

Look for updates to this Alford Cemetery information from time to time at the AAFA web site www.alfordassociation.org
