Where possible we have added the names of parents and spouses.

Not included in this report is information pertaining to sources and references. Those who have need for this data may acquire same by sending an email to the project manager shown above or to alford_association@sbcglobal.net. Most of this information, including the sources and references was published in AAFA ACTION #75, Spring 2007.

Abbreviations, all of which may not be in this list, are:

b. = born, d. = died, m. = married

c/o = child of, d/o = daughter of, s/o = son of, h/o = husband of, w/o = wife of

i/o = infant of, t/o = twins of, m/o = mother of, f/o = father of, gs/o = grandson of.

The "computed age" was obtained by having the computer subtract the year of birth from the year of death. Consider it only as close. If there is not a birth and death year the age is not shown.

The reference number to the left of each name is a permanent reference number to that interment, and will remain the same when the report is updated.

Look for updates to this Alford Cemetery information from time to time at the AAFA web site www.alfordassociation.org
