NAME: Alford names
(Forenames and Surname as found on record or 'source')

Facts Noted: Below are names of grantees, their residence,
(Observe note at bottom of this page)
and then follow, after each name, number of bkk, page number,
number of acres granted, and year granted. In other notes,
dealing with each individual grant, and something in general
about the laws upon which these grants were made, will be of
interest, I believe, to those of the present generation as
well as many who follow in our foot steps. This present note,
I should emphasize, is for the purpose of documenting our name,
the year and residence in Georgia of a particular name.

Note: Recheck data under "source", "name" and "facts noted" to determine if these five questions have been correctly answered: Who? What? When? Where? Why? (sometimes, How?)

Stick to facts as found in source material. Avoid guesswork, opinion and personal conclusion in "facts noted." If Comment or explanation necessary for own convenience or clarification, put it at end of "facts noted" and head it "comment" or other distinguishing mark, thus making it possible to separate "record facts" from "fiction", at a later date.
