Comment: Recheck this microfilm because it dim and illegible
as to parts of some lines and names, including
that of Lacy Millions or Williams. It is not
improbable to say this should be Williams. Is
he the L A Williams shown on another note?
Is he and the Alford's shown related? If so, in
what way?

(If more space needed, use Over or additional sheets)

Note: Recheck data under "source", "name" and "facts noted" to
determine if these five questions have been correctly answered:
Who? What? When? Where? Why? (sometimes, How?)

Stick to facts as found in source material. Avoid guess-
work, opinion and personal conclusion in "facts noted." If
Comment or explanation necessary for own convenience or clarifi-
cation, put it at end of "facts noted" and head it "comment"
or other distinguishing mark, thus making it possible to
separate "record facts" from "fiction", at a later date.
