Dear Mrs or Mr Alford,

I found your name in the "Genealogical Helper", and I was hoping you might be able to give me a little help in researching the ALFORD family name. I have included my pedigree chart so you can see where my family ties in.

The oldest ancestor I have information on is Thomas Alford, born 13 May 1802 in Wythe County, VA. The only thing I know about his parents is that his father died about 1805 and his mother died about 1812. There was another Thomas Alford that died in Wythe County in 1805, but according to other records, this Thomas was born in 1725 (which would have made him about 80 when my Thomas was born) and he had another son named Thomas, born about 1770. This is all something of a puzzle. According to later census records, the father of my Thomas was born in Scotland, and his mother was born in Ireland.

I realize all this is a shot in the dark, but if any of it sounds familiar, please drop me a line. Do you know anything about an "Alford Family History" by Gallaugher?

I hope to hear from you soon. Thnaks for your help.

Sincerely,

Alicia Roundy Lee

(Mrs) Alicia Roundy Lee
