Year of birth from pension papers submitted by Alcy Frances. _ Vera Alford Gooch.

I also note that in the estate inventory for Andrew Jackson, it says homeplace, the Jimmie Alford place and the Simon tract. Anyway, I found him listed with Alcy (Fannie) Alford, Jackson, Mary, and Lucindy Yocum in the 1880 census, Alcy lists him as her son, but since he didn't receive the same amount in her estate, was born after George's death, I believe he may have been born to Rosa Belle out of wedlock, (she would have been 16 when he was born) because letters refer to him as staying with Belle etc. He is also not with Alcy in previous census, doesn't show up with them until he is 14 years old. I am trying to find him when he was four in the 1870 census right now. He was living in Cincinnati, Ohio when the estate was settled in 1912 or 1913. There is no will listed for either Alcy or Andrew Jackson Alford in the Lincoln County Court house documents and I know from estate paperwork that there was a sale of the estate, one of the grand daughter's references a quilt bought at Grandmother's sale. _ Vera Alford Gooch, email 20 Sep 2010.
