AAFA has about 18 members who descend from Bailey Alford.

For more on him, his ancestors and descendants see Bobby Alford, AAFA #0669 "The Alford Family," (self published, no date). Some in this genealogy was taken from that source. Some of the data came from an undated typescript "Genealogy of John Rankin Alford Family" by Ursie Alford Uhl, daughter of John Rankin Alford, submitted by Marshall E. Alford, AAFA #0173. Also used as a source was Elizabeth A. Duncan AAFA#0366, "A Glance Back Over Our Shoulders." (self published, no date). Letters written in 1953 by Mrs. William G. (Edith) Cogswell and one written in 1955 whose author is unknown were also source for some of our information.

Baily or Ira were not found in the North Carolina censuses prior to 1830. He may have been living in the household of his father or may have been in one of those counties where the census was lost. 1830 found Baily and son Aley listed in the Lawrence Co., TN census with the following tabulations. Bailey: 1110101-0011001; Aley: 30001-00001

In 1840 the family was listed as "Alferd" and there were two households. One headed by Nancy would be that of Bailey who had died earlier. 0002-00001001. She apparently had a daughter plus two sons still at home, although the younger female could have been a daughter-in-law.

The other household was listed as J.W. Alferd but must have been a corruption of I.W. or Isaac W, They had one female slave age 10-24. The family tabulation: 210001-20001.

In 1850 there were two Alford households: Isaac W., which included his mother, Nancy; and E.H. (Eley Harrison) which you should see.
