His will was written July 14, 1768 and proved in the November 1771 session of the Bute County Court. The will was published in AAFA ACTION, Winter 1994 p. 30. See also [www.alfordassociation.org/will.html](http://www.alfordassociation.org/will.html).

In his will Julius makes his brother Lodwick Alford, and his son James, the executors of his will.

Children are listed as they appear in the will except the females were last. Their birth dates are estimates.

Lucy was enumerated in the 1790 census of Franklin Co. NC at which time her household included 2 males under 16 and 4 females. That would make these males born after 1774. Since Julius died 1771 where did these males come from. Who were these males who are not listed in this family record? Were wrong ages given for the 1790 census? Were there young sons who were not listed in the will?

In her early family group records the late Mrs. Lewis O.(Tressie) Bowman listed Lucy's maiden name as (Newton) but we were advised later that there was no basis for that.
