

**Known Descendants of
Abraham Alford
(1820-1858)**

This genealogy is a work in process. It probably contains error and surely has omissions. Use it accordingly. The fifth generation was truncated to protect the privacy of most of the living descendants.

1. **Abraham Alford** #1 b. 1820, New York or Kentucky, m. Jun 24 1846, in Pointe Coupee Parish, LA, **Leonie Humblot** #2, b. 1829, Louisiana, d. Mar 27 1854. Abraham died Nov 1858. See AAFA ACTION, December 1992, Vol. V, No. 3, page 36 "Louisiana Alford's, Part 1"

Leonie: Both parents were apparently deceased by 1860.

Children:

- + 2. i **William Louis Alford** #3 b. Feb 1848.
- 3. ii **John Alford** #55 b. about 1853, Pointe Coupee Parish, LA, d. about 1868, Pointe Coupee Parish, LA.

In 1860 he was enumerated with a Jackson family. It is probable that he is the one listed in the report of the Bailey Family Cemetery: "Johnny Alford, b. ca 1853, d. ca 1868, LA. Note 5. Died after 1 Jan 1867 and prior to 1 June 1869 by tripping on his spurs attempting to jump from a porch to his horse." - "Bailey Family Cemetery Livonia, Louisiana" LOUISIANA GENEALOGICAL REGISTER, Volume XL Number 3 September 1991 page 211.

- + 4. iii **Abram Achille Alford** #56 b. Oct 19 1851.
- 5. iv **Frank Alford** #133 b. About 1854, Pointe Coupee Parish, LA, d. About 1859, Pointe Coupee Parish, LA.

Second Generation

2. **William Louis Alford** #3 (1.Abraham¹) b. Feb 1848, Louisiana, m. 1877, in Pointe Coupee Parish, LA, **Delphine Powell** #4, b. about 1860, Louisiana, d. Jun 10 1882, Pointe Coupee Parish, LA, buried: New Roads, Pointe Coupee Pr., LA. William died Feb 11 1928, Pointe Coupee Parish, LA, buried: Bailey Family Cemetery, Pointe Coupee LA.

In 1870 William and Abram are living together and I think were overseers or laborers for their uncle James Bailey who had an extensive plantation and was nearby. More investigation into the succession of their father may determine what their financial situation was but after the war, with no slaves, probably neither they nor their uncle was as well off as before. -- Lynn Shelley, April 2004

In 1880 he and wife Delphine were enumerated with Wilmos 2 and Willie 1 month.

In 1900 William 52, without wife, was in Pointe Coupee Parish with Wilmer 21 and Willie 19.

In 1910 W. L. 61 was head of the household with W.C. 35 son & Leonidene dau-in-law 23 and grand children Delphine 2 and Ivy L. 1 plus his mother-in-law Augustine Powell 80. Son Wilmer was in separate house with his family. See Wilmer's record.

In 1920 He was 71 and enumerated with son William C. and daughter in law. Delphine granddaughter 12, Ivy grandson 10 and Abram A. grandson 4 months.

He died of influenza. The published cemetery data on his death is incorrect. DC# 5-2293.

Delphine Powell, wife of William Louis, was supposedly buried in St. Mary Cemetery (per obit) but I could not find her in the St. Mary's in New Roads. That cemetery was moved (don't know when) from being directly beside the river as erosion was taking away some of the graves. It is probable that both Leonie Humblot Alford and possibly Abraham, as well as Delphine were buried there before the cemetery was moved. -- Lynn Shelley Apr 2004
