

**Probable Known Descendants of
Benjamin Alford b. about 1740 NC**

This is a draft version of a work in progress. It is little more than a fragment, but all we have at present. It is very incomplete, probably has error and maybe some embedded working notes. Generations seven thru nine were deleted to protect the privacy of most of the living. Please treat it accordingly and if you can help with additions or corrections please contact us. There is no proof but we do see the possibility that he was the son of Benjamin Alford. This is not complete as there are still some odds and ends to add to the more recent families.

Sally: Sally later married Gabriel Coley who was then the step-father of her children. She had three more children by him. Her will was written in 1832 and probated in 1839.

Bias Alford was listed as one of those serving on the Jefferson County Grand Jury of the superior court in the May 1833 term. Published in an unidentified newspaper May 29, 1833. __ "Genealogical Material From Legal Notices in Early Georgia Newspapers," abstracted by Judge Folks Huxford.

Jason Alford of Jefferson Co. drew land in Houston Co. in the 4th (1821) Land Lottery of Georgia.

Was he related to the Bias Alford on page 34 in the same township in 1820 Jefferson, Co ?

He was listed as deceased in the 1852 probate record of his brother John in Texas.

4. **Wyatt Alford** #4168 (2. _____², 1. Benjamin¹) b. about 1784, d. by 1852.

It is supposed that it was he who was enumerated as Wyatte Alford in Twiggs Co. (joins Houston Co. and Handy) with no wife or children. He was listed as deceased in the 1852 probate record of his brother John in Texas.

1812 Wyat Alford was taxed in Jefferson Co., GA, page 29, line 66. On the adjoining lines of the tax index list were Bias Alford and Needham Alford.

1830 census of Twiggs Co: Wyatte 0000001-0 and William 1001-0001

The AAFA extract from Twiggs Co. 1840 lists two persons named "Averet." The original image has been checked and the name verified. It is very clear and could not be a corruption of "Alford." Further the surname "Averet" seems to have been quite common and does not appear to be a case of sounding like "Alford."

Much of the information on him and his descendants is from Margie Harper Brown, AAFA #0063.

His first known appearance in public records is the 1850 Muscogee Co. census in which the enumerator listed him as age 28, born in Twiggs Co. GA.

The only Alford family in Twiggs that would come close as his parent was William Wyatt Alford in the 1830 Twiggs Co. census. See the notes on Wyatt Alford record.

The family moved from Muscogee Co., GA to the area of Downs ville, Union Parish, LA about 1857. He was an "overseer" in Muscogee Co. GA and farmed around the Hopewell area, now in Lincoln Parish.
