

**Known Descendants of  
Consider Alford  
b. 1778 England - d. New York**

*This is a draft version of a work in progress. Most of what we have come from the late Eileen Alford. See <http://www.alfordassociation.org/letters/EA/ea19821014.pdf>. It is little more than a fragment, but all we have at present. It is very incomplete, probably has error and maybe some embedded working notes. Please treat it accordingly and if you can help with additions or corrections please contact us. The sixth and seventh generations were removed to protect the privacy of the living. For contacts see [www.alfordassociation.org/contact.html](http://www.alfordassociation.org/contact.html)*
