

Known Descendants of Cullen Alford and Pherebe Wooten

This is a work in progress. It is known to be incomplete and probably contains some error. Please use it accordingly. Generations five, six and seven were removed to protect the privacy of the living.

1. **Cullen Alford** #4975 b. Aug 31 1775, North Carolina, (son of James Alford #4971 and Winifred Luraner Boykin #4972) m. Apr 10 1801, in Warren Co., GA, **Pherebe Wooten** #4983, (daughter of James Wooten #10880 and Faitha Rogers #10881). Cullen died Dec 15 1834, Fayetteville, Fayette Co., GA.

Roberta & Milton Folds show Cullen's death year to be 1835 rather than 1834.

His name has also been spelled Collen and Collin.

Marriage Book I, page 8, 1784-1814 Warren Co, Warrenton. License 225. Some uncited sources show married Aug 14 1801 in Hancock Co and Warren Co NC

He was a Captain, Hancock County, GA from April 15, 1825 to June 15, 1826 [MR 1809-1829, pg 143] He was a Commissioner, Fayette County, Nov 10, 1823.

A fragment of an old family Bible of Emily Alford Cunningham provides the dates of birth of all the children but Wiley Alford. They were listed James 24 Feb. 1804, Emily Louisa, 28 Feb. 1805, Allen 8 Dec. 1808, George W. 26 Feb. 1812, John Quency 7 Sep. 1814, Kinchin Collin 10 Mar. 1817, and Emeline Allen 6 Jan. 1821.

Dr. James M. Edwards, on his own personal customized genealogy chart lists the children, and spouses, as follows: Allen, Wiley, John Quincy Adam m. Clementine Butler, Columbus A. m. (1) Martha Sumner and (2) Jenny Johnson, James m. Dorcas W. W. Pegg, Emily Louise Phoeriba m. Jos. M. Cunningham.

There is in circulation a notarized statement signed by Gertrude Alford Williams, daughter of Joseph Sidney Alford, son of James Alford, son of Cullen Alford. It is reported to be dictated by Joseph prior to his death in 1927 while confined to bed. (He may or may not have known what he was talking about and the fact that the paper is notarized means only that the notary saw Mrs. Williams sign the paper. It was not sworn to.) Anyway the paper reports that Cullen had five sons Allen, Wiley, J. Quincy A., James, and Columbus A and one daughter Emily Louisa Phoeriba. [Note that they made "Columbus" out to be a male but everything else points to being a female.]

The 1830 census supports the idea that Cullen had at least five sons and one daughter as that was the count in 1830: 1 son age 30-39, 1 son age 20-29, three sons age 15-19, and one daughter age 5-9. If son James was married in 1826 though who was the eldest son in 1830 - there were still five. Emily was married in 1823 yet there is still a daughter in 1830.

In her paper Mrs. Williams says Allen went to Alabama and lived with Emily and her family until his death.

It is possible that since George W. Alford died relatively young in 1834 (see below) and "Wiley who went to Florida and was not heard from" that some of those who were taking action to "document" the family did not remember them clearly and got the information about the two intertwined.

The above mention paper was witnessed by Dr. James M. Edwards whose own personal genealogy chart was attached. It is known for a fact that the late Dr. James M. Edwards frequently reported erroneous or at best unproven information. In his chart he shows Columbus A. Alford marrying Martha Sumner and Jenny Johnson. That was Columbus Augustine Alford b. 1850 NC son of Green Haywood Alford - another branch completely. In some copies of the chart someone has lined the spouses out.

Faye Lawes analysis of the Fayette County Tax Digests 1823-1834 support the idea that there was a G. W. Alford as well as a Willie Alford. It also shows that Allen Alford was still taxed in Georgia even though he was supposedly living with his sister in Alabama.

The "Georgia Genealogist Magazine" in an unidentified issue published the following: "Oct 16, 1834 In Macon, GEORGE W. ALFORD of the above mentioned firm of Smith & Alford*. He was a son of Collin Alford of Fayetteville. Had come to Macon a few days before he died, in ill-health, and died on the 13th inst., age about 22 years. Member several years of Meth. Church." * Smith also died recently and was buried in Macon that day. Their firm was in Houston County. Smith was only 24.

All evidence suggests that there were at least six sons and two daughters. The additional son being George W. - maybe George Washington - Alford and the second daughter being Emmaline Columbus Allen Alford.

There is some conflict with daughter Emmaline. A Threadgill book published in 1983 shows the Emeline Alford who married William Treadgill to be a daughter of Isham Alford and Mary Brown and AAFA does list her there. However, a note in an old family bible of Walton Alford's sister Emily Alford Jenkins mentions "great uncle Threadgill, college president, wife Emeline,.." supports Threadgill as a part of this branch. But why call him great uncle when he was just an uncle? 8/19/97

This Wiley should not be confused with his uncle Wiley of Greene/Hancock/Fayette Counties who later, about 1840, moved to Troup Co. It was probably he, as Wiley/Wilie Alford, who was taxed in Fayette Co., GA in 1831, 1832, 1833 & 1834. There was also a G.W. Alford taxed in Fayette Co in 1833.

The late Annette Thompson, citing no source, shows wife to be Susan Bryant, born 1825 in SC whose father was Austin Bryant.

The exact site of his grave is not known. Recently a memorial marker was installed in Shady Grove.

CENSUS:

Wiley and his second wife were married as Wiley Alford and Susan Morrison. This 2nd wife, Susan, lived until 1919 but she has not been found in the 1900 or 1910 census.

Some family tradition or parts of the family history call the oldest Jasper Allen Alford but no public or official record has been found with the name "Allen." Some have even supposed another son named Allen but the census does not support such an idea.

"Oct 16, 1834 In Macon, George W. Alford of the above mentioned firm of *Smith & Alford. He was a son of Collin Alford of Fayetteville. From ATLANTA OBITUARIES, Scrapbook of Franklin M. Garrett; Obit date July 15, 1927 [no specific newspaper listed but the article about his 80th birthday celebration was in the ATLANTA CONSTITUTION in 1922] MR. JOSEPH ALFORD, PIONEER CITIZEN, CLAIMED BY DEATH

Mr. Joseph S. Alford, 85 years old, a distinguished veteran of the War Between the States and a resident of Atlanta since 1872, died Thursday night at the home, 122 Crumley Street, S.W. Funeral services will be held Sunday afternoon at 3 o'clock from the Chapel of Barclay and Brandon Company and interment will be in West View Cemetery. Members of Camp Tige Anderson Confederate Veterans of which he was a former commander will serve as an honorary escort.

Mr. Alford served throughout the War Between the States, first with Co. E of the 10th Georgia Infantry under Capt. A. J. McBride and later with General Longstreet in the Army of Northern Virginia.

A native of Fayetteville, GA, he moved to Jonesboro [Clayton Co.] at an early age and left for the war from that city. He came back to Jonesboro after the war, moving to Atlanta seven years

later, and was first employed here at the general store of the late Capt. W. H. Brotherton at Whitehall and Mitchell Streets.

For about 13 years Mr. Alford was employed in the Fulton County Ordinary's Office under the late Judge Lowndes Calhoun, county ordinary for years and himself a noted war veteran. Mr. Alford later entered the service of the city holding the position of city probation officer, for a number of years from which position he retired several years ago.

Mr. Alford was possessed of remarkably sturdy health and until taken by his fatal illness remained active in is many affairs. A year ago he underwent an operation for mastoiditis at Wesley Memorial Hospital and because of his age the physicians did not give him an anesthetic. He submitted to the pain with calmness and won the admiration of all who witnessed the operation by his strength of will. During the last years of his life Mr. Alford devoted most of his activities to his work with his fellow Confederate veterans. He was a former Commander of Camp Tige Anderson, where he kept his membership and helped to organize and was a charter member of Camp Walker.

Mr. Alford is survived by two daughters, Mrs. E. B. Williams and Mrs. Charles L. Anderson; three grandchildren, Martha Anderson, Charlotte Hazelton and J. Alford Hazelton, all of Atlanta.

"My great-grandmother, Emily Jane, became the 'homemaker' when her own mother, Susan Davis Alford, died. Susan Davis Alford died 1862--same year that Allen [Jasper] was killed in the Civil War. That's how she met my great-grandfather J.W.L.Jenkins--they were next door neighbors and his wife died a couple years before. He saw that my great-grandmother was such a good housekeeper/surrogate mother that he wanted to marry her. She lived to be 97 years old and told this story to my mother, aunts and uncles time and time again. I met Susan Traylor Morrison Alford's grandson and interviewed him in 1980. He lived at that time on part of Wiley's original land and he took me to J.W.L. Jenkins' grave which is on Wiley's land as well." - Faye Lawes.
