Elkanah Andrew Alford #1166 b. about 1844, Bristol, Sullivan Co., TN, (son of Husband is Unknown #2215 and Sarah _____ #2216) m. (1) Nov 20 1867, in Sullivan Co., TN, **Mary "Polly" Combs** #1167, b. about 1845, m. (2) Nov 20 1876, in Fayette Co., TN, **Martha Dickinson** #1170, b. about 1851, Greene Co., TN, d. 1918, Dyer Co., TN, buried: Pleasant Hill Cem., Dyer County, TN. Elkanah died Nov 3 1918, Dyer Co., TN, buried: Pleasant Hill Cem., Dyer Co., TN.

(The 1910 TN census shows him as Cane E. Alford born VA but descendant, Kenneth W. Alford reports name as Noah born in NC. Children Noah Percy and Alexander were reported by descendant Kenneth W. Alford. He also listed Lee, Annabelle and Ella.)

He first appears in 1850, Sullivan Co., as Elkanah Alfred age 6, b. TN in the family of Sarah Alfred 42 TN. Others listed in the family (all b. TN) were: Mary 21, Elizabeth 15, Wm. 13, Jno. 8, Isa 2, and Jas. 2. The other Alfred family in 1850 Sullivan Co. was Mary 80 VA, Nancy 30 VA, Lucinda 10 TN and Mary 5 TN. As background- the 1840 Sullivan Co. census listed one Alfred family: Mary 1-01102. In 1830 there was one Alford family: Mary 011-11120001.

In the 1860 census of Sullivan Co. there were again two Alfred families. Elkanah 15 TN was listed in the family of Sarah 50 VA. Others in the family were May 31 VA, William 22 TN, John 19 TN, and Icy 12 TN. The other family was headed by Nancy 40 TN and included (all b. TN) Lucinda 20, Mary J. 18, James 12, George 8, Landon 5, and Nancy E. 1.

The 1870 census of Sullivan Co. TN there were still two Alford families. One lists mother Sarah Alford 53 VA, (all others b. TN) John 29, Elkanah 25, Mary 27, Icy H 22 and William H. 1. The other family, headed by Mary 40 TN included (all b. TN) Nancy 11, George 17, Leander 15, and James 21.

In 1880 he was enumerated as O. K. [probably a corruption of E.K.] age 40 in Fayette County, with wife Martha age 45. Children at that time were William 10, Sallie 7, and Lee 2. Bob Dickinson, brother (to Martha obviously) was enumerated with the family. For Sullivan Co. background. There was one Alfred family: John 39, wife Mary 16, and mother Sarah 70 VA.

In the 1910 Dyer Co. TN census he was listed as Cane E. Alford age 71 and his wife was Martha 69. He born in VA and she in TN. Children were Lee 29, Anna B. 21, and Ella M 18. Where was the family in the 1900 census? AAFA soundex extraction missed them. It is thought that when we find that record we will find a son, Robert Alexander, born about 1885. Like him, brother Noah Percy, did not appear in a census with his parents.

In his pension application Elkanah said he was born 1839 in Sullivan County (Bristol), Tennessee. His death certificate says he was born in Virginia. He served with Company F 21st Virginia Regular Cav. Soldiers Pension S11996.

Find A Grave lists him twice in Pleasant Hill Cemetery: Pvt. Elkaney A. Alford 1838 - 1914 and Kane unknown- Nov 3 1918.

Martha:

They were married at the home of R.E. Watson. Elkanah was recorded as S.K. Martha applied for a widow's pension - W6452.

According to the 1910 census they had been married 20 years and she had given birth to 9 children, of which six were still living. All the living children were included in the census except for Mary Lee who had married.

Duckworth #10988. William died May 11 1951, Lennox, Dyer Co., TN, buried: McCullough Chapel Cem., Dyer Co., TN. Three, maybe four, census reports show him to be born between 1866 and 1875. We have conflicting ages (years of birth) extracted from the 1910 census. In 1920 based on his age of 54 his birth would have been in 1866. The data extracted by AAFA shows him born about 1875 while the decendant's extraction shows 1858. A supposed son, providing data for his death certificate, says he was born January 22, 1858. William's son, John W. married Nellie Jane Ceorthen, daughter of widow Roella Kent Ceorthen. Later William married his son's mother-in-law- the widow Roella Kent Ceorthen. In 1920 William was enumerated with his three youngest children- no wife was present.

Death Certificate #51-15325. Contains some conflicting data that must be resolved. AAFA has a copy.

Roella: Glenda Gale Shafer provided her name as a wife and the death date.
