

## **Known Descendants of Halcut & Harriett C. Alford**

This is a work in progress and is obviously not complete. It probably also has errors. This version has been truncated to protect the privacy of living persons. A complete genealogy is available for descendants who need it to provide updates to the association. 1. **Halcut Alford** #5505 b. May 5 1789, Greene Co., GA, (son of Julius Alford #5497 and Rebecca Jackson #5498) occupation medical doctor, m. about 1813, **Harriett C.** #5518, b. Jun 22 1797, South Carolina, d. Jul 17 1858, Madison Co., MS, buried: Sharon Cemetery, Madison Co., MS. Halcut died Mar 13 1858, Madison Co., MS, buried: Sharon Cemetery, Madison Co., MS.

Birth and death dates shown as per grave marker. Some say he was born in 1788.

For more on this family - especially Cora Lynn Alford - see J. Evetts Haley's "Rough Times, Tough Fiber."

The following is from Monroe County, MS Deed Book 14, page 223 - as a Deed of Gift:

Know all men by these present that I, Halcut Alford of the County of Madison, State of Mississippi do hereby give and bequeath unto my daughter Rebecca Ann, consort of Lucius N. Halbert of Monroe County, Mississippi the following negro property, to wit: Henry of yellow complexion supposed to be about 22 years of age; Carolina a girl of dark complexion 15 years of age; Mary a girl of dark complexion nine years of age. To have and to hold for her own special use and benefit during her lifetime and at her demise to be inherited by her proper heirs.

Witness my hand and seal this 24th day of December in the year of our Lord, 1849.

Signed: Halcut Alford

Witnesses: R. J. Alford & Francis A. Alford

In the 1840 Madison Co. MS census Halcut Alford was enumerated with himself and six males plus his wife and two females. He also had 31 slaves.

Harriett's dates are from her gravestone.

The following was published in "The American Citizen Paper," Canton, Madison Co., MS:

It becomes our painful duty to notice the death of one of our oldest citizens in our county. Dr. Holcut [Halcut] Alford closed his mortal career on Sat. night Mar. 13, 1858. He was born in the state of Georgia and emigrated to the state of Miss. at an early day. After residing several years in the county of Wilkinson, he finally settled in the county of Madison, Canton Miss. where he had resided for a quarter century or more. Few men succeeded better in life than Dr. Alford. Honest and industrious, he became one of the wealthy men of the land and yet his wealth never produced the slightest change in his life conduct toward his fellow man. In his domestic relations he was kind and affectionate, aimed to a fault whilest no man had the good opinion of his neighbors more than he. As a Christian he was a pattern for others and his friends at a distance will rejoice to know he died in the triumphs of the christian faith. When no longer able to exhort his children and friends to

meet him in heaven he raised his finger toward the home he had labored to reach and pointed the way with eloquent action, when his tongue ceased to perform this offer. May his death be a blessing in its results to his family and friends is the prayer of an old and most sincere friend. Written Sat. morning April 3 1858. Editor.

2. i **Robert J. Alford** #5997 b. Feb 22 1817, Georgia.

The late Davie Price, Jr. may have been the first to introduce Robert to our Alford effort. The following was included in a piece on Halcut published in AAFA ACTION June 1991, pg 18. It is noted that several corrections and improvements have been made in the genealogy since that date.

"Robert J. Alford, was born 1817 in Greene Co., Georgia. He was an adopted son. Halcut was made guardian of Robert J. Brown, an orphan, February 4 1819 in Morgan Co., GA. Robert's natural father was Robert Brown. Robert was mentioned in Halcut's estate records. It is possible he was the Robert Alford, a cobbler living alone in Ocean Springs, Jackson Co. [MS] in the 1860 census."

The following was published in "Georgia Intestate Records:"

"BROWN, Robert, decd, Halcott Alford, gdn of Robert, orph 2/14/1719, William Patrick, Ludowick Alford, secs, Morgan, GB" [secs = securities, GB = Guardian's Bond]

Notice that a Robert J. Alford was a witness to a deed signed by Halcut in 1849.

The 1840 Madison Co. MS census of the family does show a sixth male in the household.

Birth and death data for all from Gravestone

Richard's middle name was spelled "Erwin" but pronounced "Ervin." Descendants are sure he is buried in Salem Baptist Church Cemetery in Burleson County, TX, there is some, apparently incorrect, indication that he is buried in the Sharon Cemetery, Madison County, MS. Seems there are markers for him in both cemeteries.

**Frances:** Marriage Certificate - copy on file with AAFA. Married Sep 8 and recorded Sep 17. Dave Price Jr. had a daughter Fannie b. Apr 1873. If there was such a daughter she was not listed in the 1880 census.

Rebecca died Nov 4 1904, Brenham, Washington Co., TX, buried: Brenham Cemetery, Washington Co., TX.

Her gravestone says she was born in Hinds County. However siblings born before and after her are shown as born in Wilkinson County. Article written at time of father's death indicates the family did live in Wilkinson County.

Census Summary of Frank Alford's family:

1850 Madison County, MS as son of Halcut & Harriet Alford

1860 Rankin County, MS with wife & son as Methodist Minister

1870 Burton, Washington County, TX wife and children

1880 Houston County, TX his wife was head of household with children

A published account, contributed by Charles M. Alford, II, in the Houston County History says Francis Alford was born in England. That is not correct. His father Halcut Alford was born in Georgia in 1789, son of Julius Alford and Rebecca Jackson. Julius, who served in the Revolutionary War, was the son of Lodwick Alford. Lodwick was the son of James Alford born about 1687 in Virginia. It is probable that James was the son of John Alford.

Cemetery is located 20 miles east of Crockett, TX.

Jul 28 1852, Burleson Co., TX, d. Jul 28 1913, Burleson Co., TX. Halcut died Jun 27 1928, Burleson Co., TX. Some say his name is spelled Holcott. All the census records from 1860 to 1910 spell it as Halcut (as extracted by AAFA which could be incorrect). In 1900 it is Halcot and in 1920 just H. Perhaps someone can provide a copy of a Bible record, reading from cemetery stone inscription, etc. to clarify the spelling. The marriage record spelling shows Halcut. It is possible it was spelled Halcut and pronounced Holcott.

Census Summary: See also the summary of his father.

1900, Jun 19, Precinct 8, Houston County, TX: Frank Aug 1859 (No age) MS, widow, farmer; Lena, daughter, Sep 1882 (age 18) TX; Zeffer, daughter, Jan 1886 (age 14) TX; Guy, son, Jan 1888 (age 12) TX; Fannie, daughter, Jan 1890 (age 10). Although he reported himself as a widower, facts now tell us that his divorced wife was still living.

1910 Houston County, TX with wife Sallie and her son Lile. 1920 Houston County, TX with Sallie, Aunt Martha Cook 66 LA and mother.

**Ella:** Houston Co. history shows her d. 1884. Grandson, Don, says 1896.

**Annie:** Census, 1880-1900, Houston County, Texas Had b. 1876, but Delcie LeVasseur says 1875

" I found a list of early marriages in Houston Co. TX and there is one of Annie Alford to A.L. Christian, 22 Aug 1890. Is there any other Annie Alford/Alfred in Houston Co. but the daughter of Jesse and Ophelia Alfred? I can find no more information about A.L. Christian other than his presence in the 1880 census (born 1868 AL). In 1900, Annie is living with her parents with her son Mayfield and says she is divorced and has had two children, only one of whom is living (supposedly she and Frank A. Alford had a daughter Clara who only lived for about three months). Frank A., on the other hand, says he is a widow. I did think it was interesting that a Mayfield family is living next-door to him in 1900. Both of them remarry in the next few years, Frank to Sallie Gilbert in 1906 and Annie to Rueben Ustick in 1909. In 1910, family of Rube Ustick in Harris Co. TX, Annie is listed as her second marriage of one year. Another thing I don't understand is her death record--supposedly 18 Apr 1926 in Cherokee Co.?? As far as I can tell, all her Ustick children were born in Harris Co. I can't find them in 1920 but he died in Harris Co. in 1941." Lynn Shelley, Jan 5 2009

"I wish you luck in finding the descendants of Annie Alfred Alford. After my grandmother Ella died in 1896, Grandpa Frank moved deep into the piney woods to cut railroad ties. The David Alfred family lived nearby and Frank married Annie, who was mentally retarded. They had one son(Mayfield) who was raised by his grandmother Alfred. Annie and Frank were divorced in 1901 and shortly thereafter Annie was admitted to the mental institution in Rusk, Texas. She died and was buried there in the hospital cemetery. I have a copy of both the marriage and divorce papers.

"Mayfield married three times. His first two wives are buried in the Creek Cemetery. He had child by each of them. He had at least 7-8 children by his third wife Teresa. About 1943-44 Mayfield moved all the family to Louisiana- near Coushatta." Don E. Alford, Jan 12 2009

**Sally:** Sallie was previously married to Hugh Goodwin then John Gilbert. See "History of Houston

County, Texas 1687-1979" by Houston County Historical Commission. Her 13 year old son by Gilbert was enumerated with her and Frank in 1910 Houston Co.
