This is an "as is" work in progress and is suspected of having errors and omissions. Use it accordingly. Please report additions and corrections to alford_staff@alfordassociation.org or to AAFA, POB 1297, Florissant, MO 63031.

The many footnotes will be integrated into the usual text in the updated version.

This version is based primarily on the efforts of the late Orville Alford, AAFA #0390 1949-2008, and some of the AAFA staff. Little work has been done of this version since the death of Orville. For a very different, more recent, and colorful version see the work done by Orville's brother Kenneth R. Alford, AAFA #0541. Go to <http://jarab1.tripod.com/index.html>

1. **John Alford, Sr.** #148 b. before 1750, Virginia ??, m. **Lucy Bradley** #149, b. before 1755, d. after 1810. John died about 1800, Rutherford Co., NC.

b: Orville Alford AAFA#390; primary source not known. Virginia birth is supposed.

He was sometimes shown as Halford and Allford. The Rutherford Co., NC 1790 census for John indicated a household of 4 males over 16, 4 males under 16 and 5 females.

She shown as a "possible" wife. 1800 census shows she was over 45. There is no known record of her after the 1810 census.

Children:

2. i **John Alford, Jr.** #201 b. about 1765, m. Oct 27 1789, in Rutherford Co., NC, **Sally Dalton** #205. John died about 1804. He was frequently shown as "Halford." He was enumerated 2 houses from John Alford, Sr. in the "first census."

Name may have been spelled Dolton or Dorton. Neither of these persons named John have been proven as married to Nancy "Dalton." A John "Alphord" married Sally "Dolton" Oct 27 1789 according to Rutherford County Court records. Seems might similar to the reported John Alford - Nancy Dalton union Oct 27 1782.

3. ii **Jonas Alford** #202 b. before 1767. Only one known record - deed witness in Rutherford Co in 1788. "Rutherford Co NC Abstract of Deeds 1773-1795" Name may have been written as Jones.

+ 4. iii **Achilles Alford** #145 b. about 1772.

5. iv **Surrell Alford** #204 b. after 1775, m. Jan 3 1804, in Rutherford Co., NC, **Mary Young** #278. Name also shown as Allford, Halford, etc. Surrell and Jesse Halford were appointed administrators. He was in Union Co. SC in 1810 and White Co. TN in 1820.

Jesse Halford was the bondsman for m.

6. v **Jesse Alford** #203 b. about 1781, m. in South Carolina, **Rebecca Powell** #279, b. South Carolina. Sometimes seen as "Alphord, Halford, etc."

7. vi **James Alford** #276 b. about 1784.

8. vii **Andrew Alford** #277 b. about 1787.

Second Generation

4. **Achilles Alford** #145 (1.John¹) b. about 1772, Virginia or North Carolina, m. (1) Nov 14 1795, in Rutherford Co., NC, **Elizabeth "Betsy" Jones** #146, d. about 1807, Rutherford Co., NC, m. (2) Jul 19 1810, in Casey Co., KY, **Tabitha Lane** #147, b. about 1785, (daughter of Daniel Lane #600 and _____ #601). Achilles died Aug 1830, Danville, Casey Co., KY. Birth: Orville Alford AAFA#390; primary source not known. Died: National Intelligencer, Vital Statistics. (Washington, D.C.) Orville Alford believes Danville was Casey County at the time.

Achilles was killed in a duel. It was probably he who was enumerated in 1810 Casey County as Pellicies Alford- just him and wife. In 1820 Casey County it was likely him as Kildess Olford, in 1830 as Archiballes age 50-60 with wife age 40-50 and daughters: 2 under 5, 2 age 5-10 and 2 10-15. When he married the second time his name was listed as Archilleus. He sometimes listed as Halford or Hallford. It is Orville that connects him as son of John.

John Alford was bondsman at marriage.

John died after 1880, Knox Co., KY.

Date and Place of birth furnished by Orville Alford AAFA#390 - his source is not known at this time. He was enumerated with his son John R. in 1880.

In North Carolina he was usually called "Halford" but in Kentucky he was never called "Halford." AAFA has copies of four land records 1845-1860.
