John Alford
born about 1787 SC**

Generations 6, 7, and 8 were removed to protect the privacy of most living descendants.

This is the current (April 2008) version of a work in progress. It is known to be incomplete and is likely to contain error. Please treat it accordingly and send corrections or additions to GilAlford@yahoo.com.

1. **John Alford** #3109 b. about 1787, Spartanburg District, SC, occupation Teacher & Surveyor, m. . #3110. John died 1860, Florida. There was a William Alford present in Spartanburg, SC in 1790 census but we do not know the relationship to this John if any.

He has not been found in the 1820-30 census. He was not in South Carolina or Georgia data.

Based on the place of Hansford's first marriage the family was supposed to be in Appling Co. GA about 1833.

"March 25, 1837, c. 1/2 mile S Jennings, Hamilton Co., Lot No. 5 Fractional Sect. 12 tp.2R.12north and east."

Sep 30 1839 he purchased 80 acres, from the Tallahassee Land Office, located in section 12, township 2N range 12E in Hamilton Co.

In 1840 the household of John and Hansford were enumerated in Hamilton Co. FL. John's family tabulation was 01000001-000001 so there was a son other than Hansford. Hansford's family tabulation was 01001-10001. Note that John and Hansford both had a male age 5-10. In Hansford's case the son would be William R. Alford b. Sep. 26, 1834. In John's case we suppose it to be a son named John, but his 1840 census age does not track well with other data. See in following records.

He was County Commissioner in Hamilton County in 1839, and a member of the Florida House from Columbia County in 1856.

John was living with his son Hance in 1850, Columbia Co. FL. In 1860 he was living Zacharia and Celia Chancey in New River Co. FL. At one time it was thought that Celia was his daughter but that seems unlikely.

A news article printed with his son Hansford indicated that Hansford had a brother John. A record has been found of a John Alford and he was added as a son but has not been proved as such.

Children:

- + 2. i **Hansford R. Alford** #3111 b. about 1812.
- + 3. ii **John Alford** #6597 b. about 1825.

Second Generation

2. **Hansford R. Alford** #3111 (1.John¹) b. about 1812, Spartanburg, SC, m. (1) about 1833, in Probably Appling Co. GA, **Jincy Mann** #3113, b. about 1818, Georgia, (daughter of William Mann #3212 and Mary Conover #3213) d. 1840, Georgia, m. (2) 1841, **Levicy Crosby** #3116, b. about

1811, South Carolina, (daughter of Abraham Crosby #5810 and Levisa Crummey #5811) d. about 1870, Florida. Hansford died about 1866, Florida, buried: Swift Creek Cem (Mt. Zion) Union Co. FL. A memorial marker was erected in Swift Creek Cemetery (Mt. Zion), Union Co. It is not known that he is buried there.

Hansford Alford should not be confused with a Handy Alford who was of the same period and general area.

Some of this compilation was based on work done by several descendants who are AAFA members:

Dianna M. Alford, #0311 (DIA) Jack Allen Alford, #0540 (JCK) The late Samuel J. Alford, #0378 (SJA) John Albert Burnett, #0401 (JAB) Richard "Dick" Bruce Cardell, #0329 (RBC) Robert Stanley Orrell, #0962 (RSO) Glenda Walker Owen, #0228 (GWO) Lawrence A. Woods, #1169 (WOO)

Hansford was a Justice of the Peace in 1841. AAFA has family group record prepared by a Mattie Roberts for LDS Temple Ordination. There is also a family group record submitted by the late Sam J. Alford. Robert Stanley Orrell shows him born in Spartanburg.

Hansford served as 1st Lt in Seminole Indian Wars

"July 3, 1838, 3 1/2 miles NE Westlake, Hamilton Co. SW 1/4 SE 1/4 Sect. 23 Tp.2R.12, north and east."

"April 15, 1840, 1/4 mile S Jennings, Hamilton Co. NE 1/4 SE 1/4 Sect. 11 Tp.2R R.12, north and east."

Mar 10, 1843 he purchased 40.26 acres, from the Tallahassee Land Office, located SWSE section 23, township 2N range 12E, Hamilton, Co.

Jul 10 1844 he purchased 40 acres, from the Tallahassee Land Office, located NESE, section 11, township 2N range 12E; and 80 acres E1/2NE, section 11, township 2N range 12 E, in Hamilton Co.

Jun 30 1870, Sanderson PO, Bradford Co., FL page 258 Leevic 55 SC, John W. 20 FL

John W. was in Baker Co. in 1880, which see.

From a newspaper column of THE BAKER COUNTY PRESS (Baker Co. FL) called "The Way It

Was" by Gene Barber, dated Sept. 2, 1982:

"Alford: Hansford R. Alford moved about within the county after he arrived here in the 1830's [other info says 1830's but maybe not to Baker Co.] and finally settled south of Sanderson. He was elected from Baker County as a member of the Florida House of Representatives in 1857. He and his brother John were school teachers and both made political enemies by their unsolicited frankness. Although Hansford is thought to have died of old age and natural causes (whatever that's supposed to mean), John was gunned down south of the present MacClenny soon after the War Between the States by a Radical Republican (that was the official label of those who wished to violently clear the South of former Confederates and disenfranchise their supporters). John was unarmed and stared at his assailant until the fatal shot. His widow continued to have kids however and "took up" with a one-armed Confederate veteran named Rob Hicks. Hicks was then shot in 1876 by a man named George Cooper, a brother of the above named James Cooper in the JP paragraph [not included here]. And you thought soap opera plots were products of modern living." (sent by Lynn Shelley 2/21/2000)

Several of the children are shown as born in Lake Butler, Union Co. Folks doing research in this area should be aware of the considerable county dynamics involved. In 1832 Columbia county was created from Alachua. In 1858 Columbia county was split into Columbia and New River Counties. In 1861 New River county ceased to exist and was replaced by Baker and Bradford counties. Bradford was split into Bradford and Union Counties in 1921. The area known as Union today was at one time Bradford, New River, Columbia and Alachua counties.

Jincy: Two "sons" found in the 1860 Columbia Co. census were added here because there is no other place for them.

Levicy: Larry Woods shows Levicy's death in 1885. Where was she in 1880 census? Pg 68 of an unidentified published source sent by Dick Cardell has her mother as Keziah Crews.

Children by Jincy Mann:

- + 4. i **William R. Alford** #3114 b. Sep 26 1834.
- + 5. ii **Mary Adeline Alford** #3115 b. Aug 9 1836.

Children by Levicy Crosby:

- 6. iii **Sarah Jane Alford** #3117 b. Sep 9 1842, Georgia or Florida, m. **Mancel Johnson** #8744. Sarah died Jul 1 1920, Florida, buried: Woodlawn Cem., Macclenny Baker Co. FL.
- + 7. iv **Martha Ann Alford** #3118 b. Dec 27 1843.
- 8. v **Elizabeth R. Alford** #3119 b. 1847, Lake Butler, Union County, Florida, m. Oct 20 1867, in Columbia Co., FL, **George W. Martin** #8745. Elizabeth died before 1920, Florida.
- + 9. vi **Marian E. Alford** #3120 b. 1848.
- + 10. vii **John Wesley Alford** #3121 b. Feb 7 1849.
- 11. viii **Seleta "Lettie" A. Alford** #3122 b. 1853, Florida, m. **William Green** #3131, b. Mar 16 1850, Baker Co., FL, (son of Elisha Green #6603 and Elizabeth Driggers #6604) d. Jan 21 1911-17, Lulu, Columbia Co., FL, buried: South Prong Cem., Baker Co., FL. Seleta died by 1871. Her name has also been found as Selida A. and Salida .
William: Williams children apparently were all by his second wife and have not been listed since they are not Alford descendants.

3. **John Alford** #6597 (1.John¹) b. about 1825, South Carolina, m. about 1863, **Sarah Ellen Rowe** #6598, b. Sep 9 1842, Florida, (daughter of Edward Rowe #6599 and Eliza F. Tanner #6600) d. Jul 1 1920, buried: Woodlawn Cem., Baker Co., FL. John died 1865, Florida. He is probably the John Alford who served as Capt. in the Seminole Indian Wars. He may be the male age 5-10 enumerated with his John Alford in 1840. BUT HE DID NOT APPEAR IN 1850 OR 1860 CENSUSES. Email from Lynn Shelley 9/19/2000:

"I worked on Hansford Alford all day yesterday. I have hardly any FL census records. I was just going to send the printout from the FTM site but there was no documentation. I knew I had some obits, etc. from that Baker Co. FL source. The info I had is mostly on those not covered by the FTM. I don't yet know if I have incorporated all I have but there are a lot of additions. Will try to get it in the mail today. ARE WE ACTUALLY IN TOUCH WITH ANYONE WHO MIGHT ATTEND THIS REUNION to be held the end of the month? I guess I will try to get in touch with Lawrence A. Woods who I am assuming is the one who posted the FTM on that site. If only those in the genealogy are ones whose descendants attend the reunion, they are missing a lot of what we have.

"My major question with regard to that BK file--the descendants seem to be confused on exactly who the John Alford with Hansford in GA and FL was (OR WERE THERE TWO?). Some (including us) say that John born 1787 or so in SC was Hansford's father (there was a Wm. Alford in Spartanburg in the 1790 SC census). I am assuming this claim that this John living with Hansford in 1850 was his brother, also a schoolteacher and was the one shot in 1865 in the account you put under Hansford in the register report sent by me last Feb. I do not know what they think the age in the 1850 census is but they give his birth as 1820 in SC. This John Alford supposedly married Sarah Ellen Rowe sometime after 1860 (would have been 40 according to his 1820 birth but 73 according to the 1787 one!!), had a daughter Eliza/Elizabeth M. Alford in 1864, and then was shot down in 1865. His widow had two daughters by Rob Hicks (but they were named ALFORD in census and marriage records) but he was killed before he married her. I have not found Sarah in the 1870 census and she could very well have been listed as a ROWE, but in 1880 Baker Co. FL she is listed as Sarah Alford, age 34 with three daughters, Eliza M. (16), Anna (7), and Georgia L. (5). We have marriages for Eliza and Anna but I don't know what happened to Georgia. Sarah is buried in Woodlawn Cem. in Baker Co. FL as Sarah Alford, born Sept. 9, 1842 and died Jul. 1, 1920. The two married daughters and their husbands are also buried there. Anna and Georgia did not have an Alford father but that was the name they used. Sarah was supposed to have been a very beautiful woman but somehow I can't see someone who had a lot of suitors marrying a 75-year-old man. It would also seem less likely that a murderer would gun down a 75-year-old man in cold blood than one who was 45, even if their political views differed. Don't really know how to reconcile this other than listing a son of John born 1787 as a brother of Hansford (a John born 1820 SC). What do you suggest?

"What exactly does the 1860 FL census say (can't find my copy) about the Celia Chancey (wife of Zacharia) in whose home John was living in 1860 New River Co. FL? How old is John in that one? Where did we get the info on Celia (other than from that census)? There seems to be a date problem there also according to the BK file." -- Lynn Shelley

The late Dr. Samuel J. Alford, AAFA #0378, was the source of the information on this person and his descendants.

He was not listed with the family in any of the censuses and the only reference to him via a Google search on the www is the AAFA website.

His marriage record has him as just P.E. Alford.

In 1900 census of Polk Co. he was extracted as Peater E. He and family were in Polk Co. in 1910, In 1920 he and the family were enumerated on Dock Street in Fort Mead, Polk Co.
