

**Known Descendants of  
John Henry Alford b. ca 1816 NC**

*This is a work in progress and it probably contains error and omission. The most recent generations were deleted from this file to protect the privacy of most of the living.*

1. **John Henry Alford #1** b. 1816, North Carolina, m. **Nancy Galbreth Stewart #2**, b. Dec 29 1828, Franklin Co., TN, d. Mar 3 1905, buried: Sandtown Cemetery, Neshoba, Co., MS.

Microfilm in Philadelphia MS library shows John H Allford & wife Nancy sold 160 acres on 16 Feb 1856. John first appears on Neshoba Co tax rolls in 1854 . Census of 1860 lists John 44, Nancy 30, James F. 5, Wm L. 4, Benjamin F. 2 and Joanna 9/12. Can find no record of John's death. Nancy remarried Steven F. Copeland and is interned beside him in Sandtown Cemetery.

Tax data in Janelle Burson Yates' "Early Records of Neshoba County MS" submitted by Peggy Alford Schuster show he was taxed in Neshoba Co. in 1854, 1857, and 1859. The lists were in alphabetical order so nothing can be concluded regarding neighbors and no information was supplied about how much he was taxed or for what.

**Nancy:** Nancy's middle name Galbreth taken from page article JOH816NC, page 9, AAFA ACTION, Vol VI No 4, Spring 1994.

William died Apr 28 1928, Wellington, Collingsworth, Co, TX, buried: Wellington, Collingsworth, Co. TX. This info shows all of this family except son Benjamin b.1889 and his decendents, use double Ls in surname spelling. However, headstones in Sandtown Cem, Neshoba, MS, shows spelling of two children's names with single L; i.e. H.E. d.1882 & W.F. d.1886. Therefore irrespective of above source, single L name spelling is used for this family.
