

## Known Descendants of Jones Alford and Martha Mullins

*This is a work in progress. It is known to be incomplete and probably contains some error. Please use it accordingly. Generations five and six were removed to protect the privacy of the living.*

1. **Jones Alford** #11371 b. about 1807, North Carolina, (son of Lemuel Alford #7092 and Clary Jones #11370) ref: JON807NC, m. Sep 9 1829, in Franklin Co., NC, **Martha Mullins** #11372, b. about 1810, North Carolina. Jones died Oct 1859, Maury Co., TN.

We do not have proof that Jones was the son of Lemuel but the name "Jones" after Clary's maiden name is a strong suggestion.

1860 Maury County Mortality Schedule had:

Jones Alford 50 M Married Ill. Obtr., The Illinois entry which is probably for place of birth does not track. Another source quoting the Mortality Schedule: b. NC age 50 died Oct of Consumption, farmer.

The family Sep. 4, 1850 Maury Co: Jones 43 NC farmer, Martha 41 NC, Delana 20 NC, Burgess 17 NC, James 15 TN, Philip 13 TN, Greenbury 11 TN, Saml 9 TN, Wm. 7 TN, Martha 4 TN, & Caledonia 1 TN.

The census data suggests the family came to Tennessee from North Carolina about 1836, plus or minus one year. So where was the family for the 1840 census?
