Lockhard Alford

This draft genealogy is as complete as data currently processed at AAFA will allow. This version contains the names of living persons but for those whose age is under 100 and thought to be living all data details have been excluded. There may be some error and there is probably data that we don't have so treat it accordingly. Please report corrections and additions to alford_staff@alfordassociation.org or to AAFA, POB 1297, Florissant MO 63031.

1. **Lockhard H. Alford** #32664 b. 1790, Franklin Co., NC, (son of Kinchen Alford #3356 and Linda Williams #3357) m. Dec 21 1811, in Louisburg, Franklin Co., NC, **Tabitha Cook** #32665, b. 1790, Franklin County, N.C., (daughter of Thomas Cook #32667 and Amey Bell Conyers #32668) d. 1850, Franklin County, N.C. Lockhard died Aug 2 1844, Franklin Co., NC.

Mary was of the opinion that Lochard was the son of Kinchen Alford and Linda Williams. While this may be true there is no solid evidence to support the idea. Kinchen did leave a will that made no mention of Lochard, but that alone is not conclusive.
