

Known Descendants of Lodwick Alford and Judith Jackson

This is a work in progress. It is known to be incomplete and probably contains some error. Please use it accordingly. Generations five, six and seven were removed to protect the privacy of the living.

1. **Lodwick Alford** #5677 b. Feb 2 1775, North Carolina, (son of Julius Alford #5497 and Rebecca Jackson #5498) m. May 16 1798, in Greene Co., GA, **Judith Jackson** #5678, b. Feb 2 1778, Greensboro, Guilford Co., NC, (daughter of Reuben Jackson #5680 and . #5679) d. Jun 30 1844, Georgia, buried: Alford Cemetery, LaGrange, Troup Co., GA. Lodwick died Jul 22 1857, West Point, Troup Co., GA, buried: Alford Cemetery, LaGrange, Troup Co., GA.

For more than ten years AAFA has been showing Lodwick with the middle name "Cade." The middle name has been challenged several times and extensive efforts have been made to find a reliable source for the name, and none was found. His grave stone and all known references to him in Troup Co., GA have no middle name. "Cade" is being removed and will not be used again unless someone provides proof.

He and his family moved to Troup Co. GA in 1829 when Creek lands opened for settlement. __CFH-118

Judith: Another record (?) says she died April 30, 1854. She was not enumerated with Lodwick and his family in 1850.

Second Generation

2. **Julius Caesar Alford** #5681 (1.Lodwick¹) b. May 10 1799, Greensboro, Greene Co., GA, m. (1) Mar 14 1821, in Greene Co., GA, **Eliza Ashley Cook** #5682, b. Apr 25 1804, (daughter of Colonel George Cook #5684 and Jane Ashley #5683) d. Jul 6 1843, White Sulpher Springs, Meriwether Co. GA, m. (2) Aug 8 1844, in Montgomery Co., AL, **Sarah F. Underwood** #5685, b. Oct 1802, d. about 1850, m. (3) Feb 22 1852, in Montgomery Co., AL, **Martha Herrin Boswell** #5686, b. May 19 1819, Alabama, d. Jul 8 1880. Julius died Jan 1 1863, Montgomery Co., AL, buried: Family Cemetery, Montgomery Co., AL.

He may have married Eliza Mar 24.

Sarah's marriage: Book E, Page 239 by J. M. Goodwin, JP. Also had a date of August 15.

He was enumerated in the 1850 census of Montgomery, Alabama with son Julius S. Alford age 5 and daughter Sally L. Alford under one year.

According to "Dictionary of Alabama Biography." Julius married Mrs. Martha Herrin Boswell, daughter of Henry and Sally (McClendon) Herrin and the widow of Thomas Coke Boswell. Martha was born May 19, 1819 and died July 8, 1880 and they were married February 22 1852. Why were children listed below for this third marriage not included in the will? The fact that son Lodwick Herrin showed Margaret Boswell as his sister (probably half-sister) in the 1900 census supports this marriage. It was probably widow Martha Boswell Alford with her Boswell and Alford children enumerated in 1870 Opelika, Lee County, Alabama.

Julius attended the common schools, studied law, was admitted to the bar and commenced practice in La Grange, Georgia. His father had built a home five miles from the point on the Chattahoochee now know as West Point. Julius decided to be near him and settled at the place now known as La Grange. He suggested the name of the town, at a public meeting, being an ardent admirer of LaFayette, whose home bore that name. He named his youngest daughter Antoinette LaFayette.

He was engaged in planting, was a member of the Georgia State house of representatives; commanded a company in the Creek War of 1836; and was elected as a State Rights Whig to the Twenty-fourth Congress to fill the vacancy caused by the resignation of George W. B. Towns and served from January 2 to March 3 1837. He was an unsuccessful candidate for reelection in 1836 to the Twenty-fifth Congress. He was elected as a Harrison Whig to the Twenty-sixth and Twenty-seventh Congresses and served from March 4 1839 to October 1 1841 when he resigned, left his home in La Grange, the hill whereon the La Grange Female College later stood. He moved to Tuskegee, Alabama and subsequently settled near Montgomery, Alabama.

He was a delegate to the Union convention in Montgomery in 1852. He resumed the practice of law and was an unsuccessful candidate for election in 1855 to the Thirty-fourth Congress. He was a member of the secession convention in 1861.

A handwritten note by Mrs W T Barnett says he buried Salem Cem Bullock Co AL And that her father-in-law, J T Barnett cared for the grave for many years and she has since his death.

Martha: It was probably Martha, with her "Boswell" and "Alford" children who were enumerated in Opelika, Lee County, Alabama in 1870. It was probably her daughter, Margaret Boswell, who was enumerated in 1900 with Lodwick Herrin Alford and listed as his sister - maybe step-sister.

So far, I have had little luck but I don't think Annie was the wife of Columbus L. He was living with his family in Chickasaw Nation OK in 1900. In 1910 he was alone (?) but with brother Gus in Colfax, Koehler Co. NM as a railroad worker. It said he was married and had been married 8 years. In 1920 he is in Hall Co. with two daughters, Blanche, born c1904 Oklahoma and Hester, born 1912 NM. In 1930 he (a widow) is in El Reno, Canadian Co. OK with brother Gus, daughter Hester, and father James. His parents supposedly both died in Canadian Co. OK, she in 1929 and he in 1931. Why was Columbus L. buried back in Hall Co. TX unless daughter Blanche married and lived there?? -- Lynn Shelley, Jan 2009
