1. **Lucy Alford** #5176 b. estimate 1793, North Carolina, (daughter of Jacob Alford #25 and Frankie Seaborn #26) m. **William Maines** #7581, b. about 1773, Orange Co., NC, d. Sep 19 1849, Sabine Parish, LA. Lucy died May 24 1841, Sabine Parish, LA. It is not known if she was a child of the first marriage or the second. One source showed her marriage in 1798 in Pike Co., MS which seems improbable since her father did not move from Georgia to Louisiana until about 1806 or 1807. If she was born before 1790 then she was from the first marriage and the female enumerated with the family in 1790. The fact that she named one son William SEABORN suggests she was a child of Frankie Seaborn.

**William:**

"Probably the first settler in the vicinity of Many was William Mains, who settled the plantation now owned by the heirs of Louis and Frances Buvens. Mr. Mains was born in North Carolina and in early life was left an orphan. He was kidnapped by some traders and carried to the North and apprenticed to a carpenter and learned to be an expert woodworker. On reaching manhood he went to Pike County, Mississippi, where he was married, and, in 1830, moved with his family to Louisiana, near the present town of Many. Indians still roamed the woods, and wild animals were numerous. He was compelled to cut his way through a dense cane brake to make a clearing for the house which he constructed. Mr. Mains was the father of seven children, one of whom, Noah, is still living, a resident of Pleasant Hill. William, the oldest son, who shared with his father the trials of pioneer life, was born in 1817 in Pike County, Mississippi, and died June 26, 1904. During the Mexican war he moved army equipment from Fort Jesup to the old Block House on Sabine River. At his death he was survived by two sons W.C. and Rich Mains, and two daughters Madames W.L. Shull and Asa Vines." John G. Belisle, "History of Sabine Parish Louisiana, From the First Explorers and Settlers to the Present." (The Sabine Banner Press, 1912).
