*This is a work in progress. It obviously is not complete and probably contains error. Please report additions or corrections to [alford\\_association@sbcglobal.net](mailto:alford_association@sbcglobal.net). Generation five has been removed to protect the privacy of the living. In this case we created Mr. 1800 Alford so that we would have a way to show Meek's mother and sister.*

1. **Mr. 1800 Alford** #25209 b. about 1800, North Carolina, (son of Lemuel Alford #7092 and Clary Jones #11370) m. **Nancy** \_\_\_\_\_ #25210, b. 1800, North Carolina. Mr. died 1840-50, Tennessee. Nothing is known about this person other than what can be concluded from the 1850 Maury Co., TN census which listed his supposed widow and son born in NC and daughter born in TN. WE DO NOT KNOW THAT HE WAS A SON OF LEMUEL OR A BROTHER OF JONES ALFORD. The two households did exist in 1850.

Nancy was enumerated in 1850 Maury Co., TN with Meek and Louisa and no indication of her spouse.

In the 1850 census he is listed only as "Meek" but subsequent census data indicates his name was Lambert.
