

**Known Descendants of
SALVATOR ALFORD AND ELIZABETH REYNOLDS**

This is a work in progress. It is known that it is not complete and it likely contains some error. It certainly has unproven information. Generations seven - ten were removed to protect the privacy of most of the living.

1. **Salvator Alford** #16789 b. about 1716, Virginia, m. **Elizabeth Reynolds** #16790, b. about 1717, Goochland Co., VA, (daughter of William Reynolds #28592 and _____ #28593). Salvator died before Nov 1777, Bedford Co., VA.

[The Alford Forum on the www shows him born before 1720 in Goochland Co., VA and died about 1776 in Stokes Co. NC. Some of the data on the Vest descendants is from that source.]

From Virginia Land Patent Book 16 as published in MAGAZINE OF VIRGINIA GENEALOGY, Vol, 24 No. 3, August 1986:

"William Rennolds, ELIZABETH ALFORD, the wife of SALVATOR ALFORD and Mary Rennolds, Spinster, 300a, in Goochland Co., on S. side of John's Cr. falling into James R., by Little Cr. (p 153 & 154) 18 August 1735."

From a published version of Goochland Co. V A Deed Book 4, pages 7 and 49:

"Page 36. Jul 20, 1742 from James Goss and Mary Anne, his wife, of the Parish of St. James and G, to William Bauton [Banton?] of same, for 16 pounds, a certain tract of land in G on the south side of James River containing 200 acres and being part of 400 acres granted to said Mary Anne by patent, and bounded by [trees]. Signed -James Goss, Mary Ann Goss. Wit - Robt Wallon, James Robinson, SILVATOR ALFORD. Recorded Jul 20, 1742."

"Page 373. From Bedford Co. VA DEED BOOK A-11754-62: Deed from William Dooley to SILVATOR ALFORD -paid 31pounds for 200 acres lying on north side of Stanton River on south side between Green Springs Creek and Zachariah Denny line. Witt: Paul Chiles, John Beasley. Ann Chiles Rec. Jan 1,1761.

Page 10 Deed from William Dudley to SILVATOR ALFORD -paid 25 pounds for 200 acres lying on north side of Stanton River on lower side of said tract between Green Spring Creek and Zachariah Denny line. Land originally granted to John Johnson by patent Witt. Paul Chiles, John Beasley, Ann Chiles. Rec. March 23, 1761.

In the deeds in Pittsylvania Co., VA (split from Bedford Co. in 1767) was a WILLIAM ALFORD buying land on the Stanton River, 22 Mar. 1773, and selling this land, 12 June 1776. He also bought

land on Nixes Creek, 20 Aug. 1777, and he and his wife, Marthy, sold this land, 12 Mar. 1787. No record was found for the disposal of the property which WILLIAM ALFORD inherited from his father SALVATOR ALFORD. See his will at www.alfordassociation.org.

- + 14. ii **Owen Wilkins Alford** #4681 b. 1780.

- + 16. iv **William Alford, Jr.** #4649 b. about 1774.
- + 17. v **Martha Alford** #4647 b. about 1787.
- 18. vi **Milly Alford** #4648 b. 1770 estimate, Virginia, m. Dec 15 1788, in Greene Co., GA, **Reuben Read** #4689, (son of Ajonadab Read #30707). Apparently she was also known as Mary and Patty.
Reuben: Reuben's brother Benjamin Read was a witness on the will of James Alford, son of Lodwick.

Of the Read s, I actually know the least about Reuben. He appears in some early Greene/Wilkes/Hancock County records.

Ajonadab Read had five sons and I think Reuben was probably the second eldest. He was born in Bedford County, Virginia (now Campbell). On December 10, 1781, Ajonadab Read and his son Reuben, were among Virginia citizens reimbursed for

providing services for the Virginia Militia during the American Revolution. [Virginia War Volume 25, p. 1021 (Library of Virginia miscellaneous reel 987); also, Bevin J. Creel. Selected Virginia Revolutionary War Records, Vol. 1. Lulu. com, 2007, p. Index 345.]

Reuben migrated with his father to present Tailaferro County, Georgia, in 1784 or 1784. When Ajonadab's land on Powell's Creek was surveyed in 1887, Reuben was one of the chainbearers [Greene County, GA, Land Plat Book, 1784-1860, p. 170.]. In 1794, Reuben sold land to his brother John Read [Hancock County, GA, Deed Book A-B, 1794-1798, p. 141]. In 1795, he purchased 300 acres from his father [Hancock County, GA, Deed Book A-B, 1794-1798, p. 137. Also, S. Emmett Lucas. Some Georgia County Records, Volume 1 Being Some of the Legal Records of Columbia, Hancock, Jefferson, and Warren Counties, Georgia. Easley, SC: Southern Historical Press, Inc., 1977]. This 300 acre tract at one time adjoined Alford land. In 1805, he was a successful drawer in the Georgia Land Lottery receiving 202 1/2 acres in Baldwin County [1805 Card File (microfilm), records of the Georgia Surveyor General, Atlanta, GA.].

After that, he leaves the scene and I quit looking for him. I have noticed that somewhere in Ancestry user trees, he was traced to Pontotoc County, MS, records, but I never followed up on that. I always verify those! I do not know anything about children.

John Read (_____ - 1773) and Elizabeth (?) William Ajonadab Daniel Thomas
Elizabeth Ajonadab Read (_____ - _____) and Unknown John Reuben Benjamin
James Edmund Reuben (_____ - _____) and Polly Alford

I am descended through Benjamin. I am sending you my draft Read chapter. Maybe something in there will be helpful for your research. Do a text search for "Reuben" or "Alford." I spent very little time on Reuben because he leaves the picture. What do you know about Milly? Perhaps we can connect some more dots.

were one and the same.

Co., GA. Some of the children expected to be in this family will probably be found in the family of WILKINS ALFORD. See his record. THERE IS NO KNOWN PROOF THAT THE CHILDREN LISTED BELONG IN THIS FAMILY. ADVISE IF KNOWN OTHERWISE.

Mary: Some say her first husband was James Tiggs/Figgs but it appears that the Mary Ellis who married Figgs was this Mary's aunt, a sister of her father, Levin Ellis. Dave Price and others conclude it was she who was listed as Mary Alford in the 1840 census of Sumter County, AL. She was enumerated with her son James W. in 1850 Bossier Parish, LA and with son in law, Daniel Hickman, in the 1860 Bossier Parish census.

Martha died Sep 11 1835, Putnam Co., GA. Her husband and family were enumerated in Putnam Co. GA in 1850. Her nephew Artemus was living with them at the time.

What makes him son of Owen Alford other than Dave Price work? Children Augustus through George B. were listed in 1850 Hancock Co. GA census. There was probably an unnamed and unknown son born about 1829 or 1830 as suggested by the 1840 census and the marriage date. Enumerated in Hancock Co., GA 1850 & 1860. Where did the family go?
