

**Known Descendants of
Thomas Alford
1795 ?? - 1880 NC
January 19, 2013**

This genealogy is as complete as data currently processed at AAFA will allow. More is on hand and being processed. Living persons under age 100 have data excluded for privacy reasons. There may be some error and there is probably data that we don't have so treat it accordingly. Please report corrections and additions to alford_staff@alfordassociation.org or to AAFA, POB 1297, Florissant MO 63031.

What follows is a branch segment of a larger genealogy— like just maybe one limb of the tree. Going before the folks listed in the genealogy were:

John Alford b. 1645 VA (probable), James Alford b. ca 1687 VA (proven), Julius Alford b. ca 1717 VA (proven) and John Alford b. 1750 NC proven. Uncertain about Thomas' birth place.

Some records have a comment about registering to vote. To see more about that please go to www.alfordassociation.org/ACTION/aact0928.pdf.

1. **Thomas Alford** #20947 b. abt 1795, Georgia?, (son of John Alford #5167 and Chloe Pope #5177) ref: 64, m. abt 1825, **Dicy** _____ #20948, b. abt 1805, North Carolina, ref: 65, d. abt 26 1871. Thomas died Aug 26 1880.

CENSUS: 1860, August 4; Galloway's Precinct (Pacific PO), Franklin Co., NC; all b. NC: Thomas 60, Dicy 65, Annie 36. Living in the adjoining household was his son Julius Alford.

1850, July 31; Timberlakes District, Franklin Co., NC: Thomas 55 b. GA, Disa 44, Amy 24, Harris 23, Ellen 20, Martha 20. Note that in 1860 he was shown as b. in NC. It is believed the GA birth came from the fact that he had spent some time in GA. See following comments.

Bodie in "Historical Southern Families" says he went to Alabama. It appears now that he did go to Georgia and then return to North Carolina. The Thomas in Alabama is more likely from another branch of the family- possibly Isham's.
