Ruby Alford Heard, AAFA #0137 wrote in October 1983 (ref 5C5) pg 3: "He was 6 yrs old when his father died. The family had moved from Greene Co. Ga. to the adjoining county of Morgan after the three boys were born. A year after Zadock died Perrene married William Timmons and at this time the brother of Zadock, Lodwick Alford Jr. [b. 1775] petitioned the court to divide the estate of Zadock, giving the three boys their share and a child's part to the wife Perrene. It was granted and since there had been no will everything had to be sold and then divided. While the estate was being sold Perrene Alford Timmons gave birth to another child, a boy, 16 Nov. 1825 William John Collingsworth Timmons. She either died in child birth or shortly afterwards as Lodwick Alford Jr. petitioned the court again for guardianship of the three boys of Zadocks. It was granted and William Timmons was granted Perrene's share of the estate. After this was settled the family of Lodwick and Judith Jackson Alford moved to Troup Co. Ga. near LaGrange GA. This was the home of the three boys so they ended up in Troup Co. After they were grown they married girls in Troup Co. and lived there for several years. Jim married Sarah J. Ellis, dau. of "Old Edward Ellis" and Sarah ? Ellis. They had four children in Troup Co. GA and one in Tallapoosa Co. Ala. (1) James Zeaddock Alford - born 14 Oct. 1840 no death date married Mary Ann Britt Reel 21 Nov. 1867. He was in the C S A and lost an arm in battle, was a justice peace in Tallapoosa Co., AL after the war. (2) Frances Alford born 1844 Troup Co. Ga. no death date, married Daniel d. Nichols 11 Aug. 1859 Tallapoosa Co. AL. (3) George Cook Alford - born 1846 Troup Co. GA no death data, married Ludinda Clayton 10 July 1865 Tallapoosa Co. Ala. (4) Columbus Washington (Lum) Alford - born 12 Jan. 1850 Troup Co. GA died 29 Nov 1936, Freeny Miss., Leake Co., married Maryann D. Glover 17 Sept. 1871 Tallapoosa Co. Ala. (5) Edward David (Dave) Alford - born 26 July 1855 Tallapoosa Co. Ala., died 8 June 1936 Freetrade Miss. Leake Co. buried at New Hope ceme. Estes Mill Miss. married Martha Clayton Ellis 1 Dec. 1877 Leake Co. Miss. They had 9 known children. (In some of the listings Dave Alford has a C. as a middle initial).

Ruby Alford Heard *ibid*: "Jim Alford moved his family to Tallapoosa Co., Ala between 1850 and 1855, in fact all three brothers moved to Ala. same Co. This was not a very good move for Jim as he seemed to be in trouble with the law most of the time. It is not known if he was having a very hard time feeding the family, if the crops failed that year or just what the problem, but he broke into a mans store and took some salt pork. He was arrested but the court found him not guilty. Not long after that he took some money from another store and that time the court found him guilty and fined him. Things went rather smooth for a year and then he and Sarah had some problems that he tried to solve by force and she had him arrested and the court fined him and kept him in jail for thirty days. In 1859 things must have gotten real bad for him as he decided to "borrow" a mans horse without the mans permission and that was the trial that sent him to prison. He was sentenced to the prison in

Wetumpka Ala. for five years. This was short lived tho as the war started in 1861 and the prisoners that weren't in for life were paroled for the service. He was with an outfit from Selma Ala. but so far no records have been found as to the fighting he did or if he lived or died. Search is still being made as to the time of death of him and wife Sarah and where they are buried. Two of his children moved to Miss. in Leake Co. and the others stayed in ala. so far as known."

7. **Leonidas "Lee" F. Alford** #5533 (2.Spire², 1.Zaddock¹) b. Apr 1844, Troup Co., GA, m. Aug 18 1866, in Harris Co., GA, **Frances Narcissa Grant** #5537, b. Jun 4 1850, Harris Co., GA, d. Apr 5 1923, Chipley, Harris Co., GA. Leonidas died Apr 1884, Chipley, Harris Co., GA. According to a letter I got from Henry G. Alford on 6/10/1988, Leonidus died in a tornado in April of 1884 and left his wife with nine children. One of the children was Henry G.'s grandfa with the 20th Georgia Infantry.

Aunt Myrtie remembers hearing of Leonidus getting killed in a storm. She thought was because of lightning. She couldn't remember his name, but she recalled hearing of the incident.

Lee fought in the Civil War and was shot in the shoulder and lost two fingers. He was in Company E, 20 Regiment, Benning, Northern Virginia army, July 9, 1861, "Whitesville Guards."

In 1884, Lee's home was completely destroyed by a cyclone. Lee was blown against a tree and killed instantly. Several of the children were hurt in the storm. The baby's (Henry's) cradle was blown by the wind and set in the fireplace. He was unharmed. After this, Frances (Fannie) Alford moved to a farm near Cataula where she raised her children. She grew herbs and made her own

medicine, worked on the field, and with the help of her children, made a living on the farm. They got as much schooling as possible. She later helped Mary Lou Alford Rudisill raise her children.

The information on Lee's family was given to Mrs. Goggans by Mrs Olin Dean Junior. Mrs. Goggans sent the information to me.
