

## Alford North Carolina Time Line

04/26/2009

We have been working on Alford time lines for years. We work in spurts-usually related to a specific state or branch of the family. As this version is being prepared we have not added to the file for months. We will be posting frequent updates for North Carolina for awhile.

The records below are listed in chronological order with the date appearing as YYYYMMDD.

We know this is far from complete. We suspect that it contains some error. Please advise us of events that you think should be added. Include as much information as possible. Please also advise us of errors you detect.
