“Sweet Kara Sue. You were the first woman I ever loved in this life. Golden long hair, deep blue eyes, your laugh, your smile, your beautiful lanky body and prominent nose, your contemplative thoughtful mood, wise and caring, you meant the world to me when we were together. You and your family were always good to me. You were the perfect girlfriend. You were everything and more that a young teenaged boy could hope for. You appeared in my dreams throughout the years. I always missed you. I hope your life was all you wanted it to be Kara. I hope you found happiness and love and fulfilled all of your dreams. Peace and happiness be with you in the afterlife and for all eternity. – Kevin”
