

"ALFORD" *MARRIAGES* IN SOUTH CAROLINA

Revised September 2008

This is a tentative list of a work in progress. The title has "marriages" in italics because they are not proven marriages. They are presumed marriages based on information found in genealogies, obituaries, cemetery records and census records. We have more of those records to review so we know it is incomplete and there is probably error. To say that South Carolina official marriage data from counties or the state archives is scarce would be an understatement. Additions and corrections would be appreciated. Mail them to AAFA, POB 1297, Florissant, MO 63031 or email them to alford_association.org@sbcglobal.net. Watch for updates on this site.
