Friday:

9:00 AM - 4:00 PM (\$21) For the first time, a professional outside genealogy service will provide a program. The program will be presented by Everton's Publishing, a respected and well-known name in genealogy circles. Everyone who attends will receive a year's subscription to Everton's genealogy magazine. The subscription is normally \$21 a year, so in essence, you are getting the seminar for free, a great deal. If both husband and wife attend, there will be one subscription for two years for the pair rather than separate one year subscription. There will be light refreshments served at the morning and afternoon breaks. You will be on your own for lunch.

5:00 PM - 6:30 PM Registration. You will receive programs, name tags, meal tickets (for Saturday evening buffet dinner), etc. If the Saturday dinner has not been paid for, payment will be required at this time. **Please do not wait** until arrival to decide whether to attend the Saturday function as the motel must have a head count prior to the meeting.

6:30 PM - 9:30 PM (\$20) Reception. Dress is informal and no formal activities are planned. Non-alcoholic drinks and hors d'oeuvres will be served. A cash bar will be on the premises for those who desire the use of same.

Saturday:

9:00 AM - 12:00 PM (\$8) Business Meeting. If completed early, next session will begin immediately.

1:00 PM - 5:00 PM (\$8) Alford Family Forum. Discussion of our Alford ancestry using projected slides depicting specially prepared charts and photographs pertaining to those who pre-registered. Light refreshment breaks will be provided morning and afternoon. Lunch will be on your own at local facilities.

6:30 PM - 9:30 PM (\$18) Buffet Dinner. After dinner, the winners of the 1994 awards will be announced and presentations made. Dinner must be **arranged and paid for in advance**. Announce intentions as early as possible and pay not later than Friday's registration.

Sunday:

9:00 AM - 12:00 PM (\$8) Alford Family History Workshop. Work space, resources, and some help will be available to do extensive Alford research. Light refreshment break at mid-morning. Lots of opportunity for casual conversation about whatever. Those who prefer to worship in a local church are encouraged to do so.
