CLARA BROWN

We don't have any details or a printed obituary, but a letter from Sally Stoewer, our AAFA Louisiana Representative, to Clara was returned with a "deceased" annotation. Clara, AAFA member #14, lived in Shreveport, LA. As with so many of our members, I never did have the opportunity to meet her in person. How I wish I could meet all our members and my corresponding friends! I

first came in contact with Clara the year before the Association was formed. She had written a letter to Julius M. "Pooly" Alford seeking help with her genealogy, and as was the practice we had agreed to, he responded to her and then sent her letter to me for further reply. She was a distant cousin of Pooly's and tied in with the Robeson County, NC branch of the family.
