Hi,

I'm working on getting member ahnentafels posted to the website.

In the process I discovered that Lona Contreras AAFA #0157 died in Eugene OR Oct 25 2006. The only known Alford connection she had when she joined was 3rd Great Grandmother Ann Alford b. about 1760 in PA who married a William Hoopes.

She thoroughly enjoyed her AAFA membership. She bought several back issues and apparently from research and an article by the late president, Ben Alford, found more about her Alfords. She and I had several exchanges via what used to be known as letters. She completed nine pages of pedigrees for the project that George Miller ran for several years.

I've attached a copy of her membership application and a page from an update she sent in 1994.
