TRANSCRIBER NOTES: The letter appears to have been written by Betsy as "father and" is written above the word mother and "M. Routon" is squeezed in above her signature. The Routons were in Austin County in the 1860 Census. I cannot find a Bellona on the map, but the county seat of Austin County is Bellville. Winney lived in Smith County, Texas at this time and was married to William Daniel Bateman, Sr. The Bill referred to in the letter may be her husband. The letter was written on paper that had been used previously for a letter written from Quintana on 18 March 1856. It is a formal business letter that includes no name associated with this county.
