0266 Richard Lindsay Alford

I just discovered through Find A Grave that this member died in 2012. I spent a lot of time looking for an obit but was unsuccessful. I believe his wife, Marilyn, is still living in Tucson, AZ. Our members list has an old Idaho address.

Marilyn wrote a fairly long bio for a 1992 Lemhi County, ID, history book, that includes a wedding photo. I hesitate to use this in any way since it's under copyright. However, they've made it available full text online, so I might write to the authors and see if they'll let me use it in lieu of an obituary:

I updated the 2 member pages with Richard's death info.
