Hi,

I'm working on updating some of our genealogy files and noticed that I had Annette Thompson, #0504, recorded as deceased in both the membership file and the genealogy file. I've searched and I cannot find the source of my information.

However I did verify it with the SSDI. I knew she was born Dec 1, 1911 and the SSDI shows she died June 20, 1993. [REDACTED]

I checked the obit index and did not find her listed.

Her full name was Annette Carolyn Gunn Thompson.
