Walter M.(Morrison) "Corky" Clerihew, AAFA #0592
11 Mar 1931 - 21 Oct 2005

Last residence, Jacksboro, Jacks Co., TX

We have his address in Livingston and the PO is returning his mail from that address.

The address I have on this Dec 1993 letter is 411 North Seventh Street, Jacksboro 76458.

He is from the NEE789NC/JAM687VA branch of the family.

They were present at the St. Francisville, LA meeting in 1993. I don't remember if J&J were taking photos then or not. I've check the few photos I have and they are not in them.

Wife is Patrica Ann b. 6 Apr 1935. She was a pretty helpful correspondent.

This letter is two pages 6x9 in very good handwriting. Should I scan it to jpg as is or transcribe to typed text for "publication"?

Clean up is progressing well. I can now open the paper drawer on my laser printer.
