Dear Sir:

*agm 8/14/41*

Mrs. Francis <sup>F</sup>Alford, widow of a Spanish American War veteran is now deceased and at the time of her death she drew a pension from her deceased husband. Mrs. Alford died owing several debts and her last burial expenses and there is no one to pay this for her. What I want to know is if the pension will not be paid until the above indebtedness is paid? A pension has not been received since her death. Will you please look into this matter and let me know as early as possible.

*LH*

Thanking you, I am,

Yours truly,  
*Emmett E. Smith*  
Chancery Clerk
