Dear Mr and Mrs. Alford,

I received your name some time ago from Mrs. Bowman of Maryland, and I was certain that I had written to you. (Your recent ad in the Genealogical Helper Prompted my memory) Checking back over my correspondence, I found a copy of a letter sent 19 July 1983. The only other explanation I could think of for your lack of response was that Perhaps I forgot to mail the MONEY! Sure enough, my check register shows no check to you.

Please accept my apologies and my check for \$10.00. I would like to be added to the mailing list for your Alford newsletter. My 299-grandmother was an Alford, and I am also very much interested in contributing information to your Publication in hopes that someone will recognize the names and help me to extend the line.

Thank you again for your help. I look forward to receiving your Publication "About Alfords".

Yours truly,

Alicia Roundy Lee
