I am sending the Alford Bulliten instead of cards as I believe it will be of more help to you.

I am attaching the card on your John Seaborn (to show you the kind of card file I have). I started this years ago before I realized that I should have shown reference and I have not keep this file up for some time. I have a card for eac h child listed on this card and then a card on the wife & so on....

WROTS

Mrs. Lily Carter Thurman has worked on the Alford family for years and I believe that the information Mrs. Bowman has is mostly from her years of work and some of what Mrs. Bowman published Mrs. Thurman did not agree with. Her address is 1002 Bay Oak, Houston, Tx 77008.

WROTS

The Alford family listed in Kinsfolks is Mrs. Frank B. McClenny's daughter in laws family. They still live on the old homestead in Al. her address is 805 North Second, Bellaire, Tx 77401.

Sincerely,

Lucile McClenny
