Mr. Orville Alford & Vincent  
Rural Route #2, Box 390C  
Pineville, KY 40977

Dear Orville and Vincent:

A belated welcome to you both as charter members of the association. Your membership number is 390 and a code used as a file reference is OAL. Your membership will expire March 31, 1992.

The December issue of the quarterly has already been mailed to you. Our Director of Publications, Pamela Alford Thompson of Mountain View, California, informs me that the current issue has been sent to the printer. It should be here for mailing in about a month. Your years membership includes four issues of the quarterly. You will receive your membership certificate and card from our secretary-Miss Nancy Alford in Georgia. George Miller, our Ancestor Table (Pedigree charts) Project Officer, lives in New Mexico. He will probably be contacting you about getting your entire pedigree computerized.

Enclosed is a printout of your Alford lineage as we have it recorded at this time. A slightly abbreviated version will probably be published in the June 1991 issue of the quarterly. If you see any need for changes or additions please let me know.

I hope you will mark your calendar now for Oct 11-13, 1991 and be planning to attend our annual AAFA meeting and national Alford reunion which will be held in Jackson, MS.

This year we will be at the Holiday Inn, Medical Center in northern "downtown" Jackson- 2375 North State Street. They are giving us room rates of \$44 for single or \$50 for doubles. You can call them (not the Holiday Inn 800 central) for reservations at 601 948 8650. Mention our association to get the rates. It is important to register and make reservations early as we may have limited space later in the year. At our meeting in Raleigh, NC last year we had members present from many states including California, Washington, Massachusetts and Florida- we expect

a bigger and better meeting this year.

Let me know if you have any questions or you think I, or someone else in the association, can be of any service to you.

Sincerely,

Gilbert K. Alford, Jr.  
Executive Director
