Died: National Intelligencer, Vital Statistics. (Washington, D.C.) Orville Alford believes Danville was Casey County at the time. Achilles was killed in a duel. It was probably he who was enumerated in 1810 Casey County as Pellicies Alford- just him and wife. In 1820 Casey County it was likely him as Kildess Olford, in 1830 as Archiballes age 50-60 with wife age 40-50 and daughters: 2 under 5, 2 age 5-10 and 2 10-15. When he married the second time his name was listed as Archilleus. He sometimes listed as Halford or Hallford. It is Orville that connects him as son of John.
